

CAL Investment Grade Fund

This Fund Fact Sheet provides a summary of the information about the investment policy, return, risks and conditions of the Fund. Investors should study the information provided in this Fund fact Sheet as well as in the trust deed in detail before making the decision to invest. When in doubt, the investor should consult the fund manager to clarify before subscribing to investment units. Investors should invest only when it is deemed that the investment meets the investors' investment objectives and the investor is able to accept the risks that may occur from such investment.
